

HAVING TO CUT COSTS DUE TO THE RECESSION?

Why not outsource your weekly/monthly bookkeeping & payroll work?

Boshoff Visser offers an all inclusive package at a cost of less than the monthly salary of a junior accountant.

Typical services offered:

- Data capturing from source documents
- Invoicing and credit control
- Weekly/ Fortnightly / Monthly payroll service
- Administration of SARS payments
- Maintenance of UIF data basis
- Creditors reconciliations and cash flow management
- Cash book reconciliation and maintenance of general ledger
- VAT returns
- Monthly review by financial manager
- If you run your own set of accounts on Pastel, we have highly skilled staff that can review and reconcile on a monthly basis.

Benefits:

- Access to skills of different levels, from data capturer to financial manager.
- No accounting/payroll software expenses
- Hassle free audit at year end.
- New provisional tax legislation requires 80% accurate taxable income estimation before 28 February 2010.
